

## GOVERNING BODY ATTENDANCE LIST FOR ACADEMIC YEAR 2017/18

All school Governing Bodies are required to publish attendance figures for meetings. Those for our school are shown below. We have included full Governing Body meetings and both Resources and Learning & Inclusion committee meetings. Governors can choose to attend one or both of these committees. Where governors have sent apologies which have been accepted, we show these as an 'A'. Please be aware that two governors resigned at the beginning of the year, one resigned at the end of 2017 and two joined part way through the year.
