

Exam Board:

AQA

Reading 20%

Listening 20%

Speaking and writing controlled assessment 60% (2 equally weighted)

Subject specific websites:

www.kerboodle.com - students have passwords and access to an online text book with exercises

www.linguascope.com - they have the school password

www.atantot.com - they have the school password

www.bbc.co.uk/education/subjects/zhsvr82 - bbc bitesize - MFL

Revision Tips:

- Students should make sure that they learn vocabulary regularly - all of the required vocabulary can be accessed at www.kerboodle.com
- Students are encouraged to do some independent learning each week - such as reading some news articles, listening to the foreign language, watching a film etc. as this helps to prepare them for the final exams
- Students must ensure that they prepare fully for the controlled assessment tasks and are ready to complete them on the allocated day
- Our Language Assistants will run clubs/projects and the students are encouraged to attend these to further develop their language skills
- We have copies of the AQA revision guides and will use these as part of our intervention programme
