

GOVERNING BODY ATTENDANCE LIST FOR 2016/17 ACADEMIC YEAR

All school Governing Bodies are required to publish attendance figures for meetings. Those for our school are shown below. We have included full Governing Body meetings and both Resources and Learning & Inclusion committee meetings. Where governors have sent apologies which have been accepted, we show these as an 'A'. Please be aware that one governor left the Governing Body during the year, one joined part way through the year and one other joined at the end of the year
