

# History

**Year: 10**

*'History is formed by the people, those with power and those without power. Each one of us makes History.'*

Anselm Kiefer

## Course content

Year 10 History will help to guarantee a smooth transition into GCSE and establish skills required for a beneficial beginning. This will involve studying the topics seen below and highlighting key events and individuals and their importance to their given field. Since September, students have worked on their Public Health topic which will continue after Christmas.

### Skills developed

- Causation and consequence
- Changes and continuity
- Chronology
- Comparisons
- Significance
- Interpretation

### Topics covered

- The Peoples Health 1250—present day
- The Normans 1065-86
- Life in Hitler's Germany 1933-45
