

RE

Year: 10

“Seek help in patience”

(Al-Babquara 45)

Year 10 students will be taught the AQA Religious Studies specification with a specific focus on the two most dominant world religions, Christianity and Islam. Students will learn core Christian and Muslim beliefs and teachings and be able to apply these to relevant ethical topics considering contrasting view points. Students will learn to debate key concepts and think critically in order to develop their analysis and evaluation skills.

Skills developed

- Identification
- Explanation
- Evaluation
- Analysis
- Empathy
- Extended writing
- Critical thinking
- Compare and contrast

Topics covered

- Christianity beliefs and teachings
- Families and Relationships
- Islamic beliefs and teachings
- Peace and Conflict
