

# Design and Technology

Year: 8

*“Design is a funny word. Some people think design means how it looks, but of course, if you dig deeper, it’s really how it works.”*

Steve Jobs

## Course content

In year 8 students develop their woodwork skills in a birdbox design and make project. They also look in more detail at CAD/CAM when they design and make a clock.

### Skills developed

- Researching
- Designing / problem solving / creativity
- Making / modelling
- Evaluating

### Topics covered

- CAD/CAM
- Materials
- Packaging
- Design communication
- Sustainability
- Safety
