

French

Year:7

“A man who knows two languages is worth two men.”

French proverb

Course content

The focus in Year 7 is to develop pupils’ linguistic knowledge in the four attainment areas of listening, reading, speaking and writing. Pupils will be introduced to cultural elements, allowing pupils to increase their cultural awareness of France. The lessons will vary in style and delivery, catering to individual pupil’s needs. Pupils will have the opportunity to use a variety of resources, including digital technology, to aid learning. Whilst some elements of the course are compulsory, the course is fairly flexible and lessons are tailored to incorporate individual learning needs and preferences.

Skills developed

- The language studied builds upon developing the four main skills (listening, reading, writing and speaking).
- There is a also focus on developing independence and creativity, allowing pupils to converse in the target language with confidence. We also focus on building pupils’ resilience, to enable them to tackle challenging tasks with confidence.

Topics covered

- All about me
- Hobbies and leisure
- My town
