

Music

Year 8

“One good thing about music, when it hits you, you feel no pain.”

Bob Marley

Course content

In year 8, students will build on their existing skills and apply them to a range of musical scenarios. The topics students will look at provide opportunities for students to be creative and deepen their musical understanding and ability. Students will improve their existing skills through performances and ensemble work, as well as applying this knowledge to new situations. Students will gain a deeper understanding of music skills and how to utilise them effectively.
