

25th October 2018

Dear Parent/Carers

Year 11 have made a positive start to the year. It was great to see so many parents and students at the Year 11 Information Evening at the beginning of the term. Since then, students have been working hard in lessons and we have seen a strong attendance at after school intervention sessions. This commitment at the beginning of the year will set them up well as the year progresses.

The half term break with give students a chance to rest ready to focus again through to Christmas. Year 11 have formal assessments taking place for each subject between 26th November to 7th December. This will give the students an opportunity to practice their preparation for exams and will allow teachers to gain accurate information on the progress the students are making. Please be supporting your child in their preparations for these assessments.

Over October half term we will be offering subject specific intervention sessions. These are targeted sessions and therefore we strongly recommend that your child attends the session they are have been allocated to. If your child is not allocated to a session for a subject, they are still welcome to attend if they wish. Please see the attached sheet showing all sessions running over half term and a sheet highlighting any sessions teaching staff have allocated your child to.

Thank you in advance for your support.

If you would like any further information about this please contact Ms Barnett.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Ms Barnett'.

Ms Barnett
Head of Year 11
