

History

Year: 10

"History is formed by the people, those with power and those without power. Each one of us makes History."

Anselm Kiefer

Course content

Continuing with the studies begun in Year 9, Year 10 History prioritises the exam techniques needed for exam success. Students will work both collaboratively and independently to continue their GCSE studies focusing on engaging topics. GCSE History at Year 10 seeks to develop academic rigor and developed understanding of the discipline of History focusing on key terminology and key events in order to be successful in this subject.
