

# History

Year: 13

*“History is not a burden of memory, but an illumination of the soul.”*

Lord Acton

## Course content

A Level Year 2 continues to embed the nature of History and the skill set required to be successful at A-Level History. Students will submerge themselves in the historiography of the Holocaust and the planning which is associated with this tragic event, as well as completing their Paper 3 studies focusing on the *Witch Craze of Britain, Europe and North America c.1580-1750*. Our students learn to be critical readers and learn how to write essays and challenge the validity of sources.
