

September 2021

Dear Y11 parents/carers

Y11 Information Evening – Wednesday 22nd September 2021 – 6pm

It has been a pleasure to welcome Y11 back this week to start their final year with us.

On Wednesday 22nd September we are holding a virtual Year 11 Information Evening commencing at 6pm. This event will provide you with information about the year ahead including how we will be supporting your child and how you can support at home. We will explain key aspects of the English and Maths GCSE's as well the current situation regarding exams at the end of the year. Additionally, we will share expectations around online learning to be done at home to support them in being successful.

During this information evening we will also provide an overview the range of Post 16 providers available to students and how the application process works. This application process mainly takes place between now and Christmas.

Revision guides

As we move towards next year's exam series we would like to give you the opportunity to purchase revision guides at discounted price for your child's revision for their assessments and their final exams in Summer 2022.

Please find attached to this letter a full list of books available to purchase through school via 'ParentPay'. If purchased through the school in bulk we can obtain lower prices. These discounted prices are reflected on the list attached.

As we are now a 'cashless' school, all books relevant to your child can be ordered via 'ParentPay'. Please note that we do not accept cash/cheque payments in school. If you do not have access to ParentPay, this can be arranged via the Finance Office. Please e-mail info@wetherbyhigh.co.uk in the first instance to request the details.

Books will be available to order until Friday 15th October. We will place an order with our supplier for all ParentPay orders made by Thursday 30th September and a further order will be placed after the final deadline. As soon we receive the books in school after each deadline we will distribute to students.

Your ongoing support is much appreciated.

Yours faithfully
