We work closely with our catering provider Catering Leeds to provide our students and staff with a varied and enjoyable menu each day. Through our coaching groups and Student Council students provide feedback from which we work with Catering Leeds to continually develop our menu and provide students with choices they enjoy.

If your child has any food allergies or other medical special diet requirements Catering Leeds Special Diets Team will be able to provide a support to ensure appropriate food is available for your child. Please ask school for a form to enable this to be reviewed.
