

# Year 7

# KS3 REP Curriculum

## Introduction to REP

What is REP?

Why is the study of Religion, Ethics and Philosophy important to us?

## What is your world view?

What can influence our beliefs and our opinions?

What learning lenses can we use to work out what is true or meaningful?

## What do we believe about God?

What do we believe about the existence and nature of God?

What are the religious beliefs about God?

## Is God Real?

Evaluating the different arguments for and against belief in God.

## How do people express their beliefs?

How do different world faiths express their beliefs through worship, art, festivals and pilgrimage?

## Why does the right to express beliefs matter?

How can expression of belief be important for identity and community?

## Do humans have a conscience?

What is the conscience and where does it come from?

## How do we know what is right or wrong?

What do religions teach about right and wrong?

What do ethical theories say about what is good or bad?

## REP Critical Thinking Learning Lenses
