VISIT TO LEEDS CONSERVATOIRE

On Thursday 7th March, the music department visited Leeds Conservatoire and had the opportunity to tour the impressive space and see students perform live.

A conservatoire is a university standard institution, specialising in music study, training and research. The students here study music full-time and have free use of studios, performance spaces and practice rooms. They can hire out equipment for free, perform their own gigs and create unions and clubs centred around listening to, playing together, and enjoying music.

Our students were able to watch some of the students there create music and listen to their projects, experience a busy gig and ask questions during a talk on being a conservatoire student.

We are extremely thankful for the opportunity to visit such an incredible venue and we hope to go back to see more events soon!

THE NEXT GENERATION SCHOOL of ROCK THE MUSICAL

This week sees our cast of this year's school production 'The School of Rock' perform on Tuesday 26th and Wednesday 27th March @7.00pm in the Main Hall.

The cast, crew and musicians have been working hard to bring the production to life during rehearsals and we are excited to share all of their hard work this week.

The show is based on the hit 2003 film, **School of Rock** and follows Dewey Finn, a failed wannabe rock star who is down on his luck. After Dewey is kicked out of his band, and threatened with eviction, his fortunes take a turn for the better when he intercepts a phone call meant for his flatmate, Ned Schneebly. He quickly decides to make a bit of cash and pose as Ned to take up a supply teaching post at Horace Green, a prestigious prep school. He is horrified to discover that his straight-laced and straight-A students haven't a clue about rock and roll, and he makes it his mission to educate them. Dewey realizes they are a talented bunch

and he decides to turn them into a rock band and enter the upcoming Battle of the Bands competition. However, he needs to do all of this away from the prying eyes of the school's principal, Rosalie Mullins. Along the way, Dewey finds romance, self-worth, a proper job, and, most importantly, he teaches the children and their parents the beauty of rock!

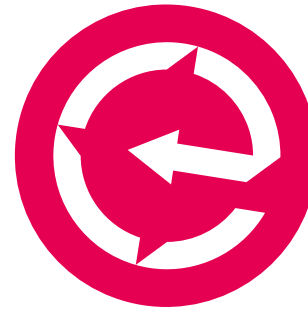

This is a great show with live music, fantastic acting and really fun songs. Student tickets for Wednesday's show have sold out already!

Pick up yours for our Tuesday show from student reception! Adult tickets are £5 and available on Parent Pay!

We can't wait to see you there!

MASTERPIECE TO

INGREDIENTS

- 1 ¼ cup milk 10 fl oz
- 3 large eggs
- 2 tbsp oil or melted butter
- 2 tsp sugar for savoury crêpes, OR
- 3 tbsp sugar for sweet dessert crêpes
- ½ tsp salt
- 4 oz all purpose flour (almost 1 cup)

INSTRUCTIONS

STEP 1

Place the milk and eggs in a jug/bowl. Whisk to combine (you should have about 2 cups of liquid).

STEP 2

Add the oil or butter and whisk it in.

STEP 3

Place the flour, salt and sugar in a large bowl. Add about ¾ - 1 cup of the liquid and mix gently to form a smooth paste. This should not take more than a few seconds. Take care not to over-mix. Add the rest of the liquid and mix to form a smooth, watery batter.

STEP 4

Cover the batter and let it rest for at least 20 - 30 minutes. The batter can be kept in the fridge overnight as well (or upto 2 days).

STEP 5

Preheat a 10 inch non-stick pan over medium heat. Brush a layer of butter on the heated pan. Always mix the batter first, before you make each crepe. Pour ¼ cup of the batter into the hot pan, and swirl to coat the bottom of the pan. Swirl and spread the batter along the edge of the pan first and then fill the middle with the remaining crepe batter. Make sure the batter is as evenly spread as possible. Place the pan back on the heat to let the crepe cook. Flip when it no longer sticks to the pan!

STEP 6

Serve with whatever toppings you like!

RELIGIOUS FESTIVALS IN MARCH

March marks the celebration of Ramadan and Holi.

Holi: What is the Hindu festival and why is it celebrated?

The Hindu festival of Holi is celebrated by millions of people all around the world.

It's known as the festival of love, colours and spring and people throw coloured powder and water at each other to mark the occasion.

The two-day festival, which first began in India, also celebrates the Hindu god Krishna and the legend of Holika and Prahlad which symbolises good overcoming evil.

The festival marks the beginning of spring, and it celebrates new life and love. It is celebrated on the last full moon of the lunar month.

Ramadan Mubarak!

As we joyfully usher in the Holy month of Ramadan, we extend heartfelt greetings and blessings to all.

This sacred time provides us with a unique opportunity for spiritual reflection, growth, and renewal.

The Prophet Muhammad (peace be upon him) said:

*"When the month of Ramadan starts, the gates of the heaven are opened and the gates of Hell are closed, and the devils are chained." **

This Hadith emphasizes the unique divine atmosphere during Ramadan, providing us with an environment conducive to self-improvement and spiritual elevation. Seize this opportunity to maximize your acts of worship, kindness, and gratitude.

JazakAllah Khair.
