YEAR 11 INFORMATION EVENING

The Year 11 Information Evening was held on Wednesday 11th September and was a chance for our students to hear about:

- They have less than 135 days left until their first written GCSE exam!
- The importance of attending every day and making the most of every opportunity in school.
- The need for revision to become a part of their lives.
- How the partnership between school, home and students is key to achieving success this year.

Students had the chance to meet with their subject teachers and a host of post-16 providers and colleges.

Thank you to everyone who attended and made the evening a success.

New Staff

My name is Mrs Simpson and I'm a new science teacher at WHS. I'm an avid Barnsley football club fan and can be found constantly updating the score from 3.00pm each Saturday. I used to have a season ticket each year but life has become a bit too busy at the minute! Previously I worked as a pharmacist, which involved giving people advice about medicines, carrying out vaccinations and checking medicines were safely given in hospital.

My favourite place to be is outside in the hills with an amazing view. I'm also rather partial to anything that involves plants, and even spent some time working as a gardener before I began teaching. If you have an unloved plant that you wish to donate to S2, it would be much loved!

MRS SIMPSON

My name is Mrs Vose and I'm delighted to join Wetherby High School Inclusion Team and Year Manager for Year 11.

Prior to this position I have been a Year Manager, Head of Year, Student Support Worker, Designated Safeguarding Lead and Pastoral Support Coordinator at a High School in East Leeds.

I have also worked in Los Angeles and Greece. My hobby is horse riding and I enjoy walking my dog.

Growing up I lived next door to Billy Bremner so I am especially pleased to be part of Bremner House.

MRS VOSE

Hello, I am pleased to introduce myself to Wetherby High School. My name is Mr Vardy and I have the pleasure of taking over teaching music from Mr Denson.

Music surrounds and enriches our lives on a daily basis whether that be listening to your favourite song, hearing a viral hit on social media, listening to the soundtrack of films and games or by playing a musical instrument.

I am looking forward to teaching music curriculum lessons, continuing the Pop Choir and building and establishing bands and rock groups. If you are interested in making music or being part of a band come to the music department at breaktimes.

MR VARDY

Hello! My name is Mrs Pearson and I've joined the English department.

I'm also the coach to the wonderful BR17 - big shout out!

Favourite meal: roast dinner.

Favourite colour: purple.

Favourite biscuit: pink wafer.

Controversial opinion: orange flavoured chocolate is vile.

MRS PEARSON

AUDITIONS

Auditions for the school musical 'Little Shop of Horrors' took place during week 2 of the year.

LITTLE SHOP OF HORRORS

Over 50 students attended and showed off their talents in acting, singing and dance.

Mr Vardy, Miss Parker and I were so impressed with the positive attitudes, focus and talent on show during the auditions.

If you are interested in getting involved in set painting, puppetry and prop making please see Mr Bailey in DT so he can put a list together of interested students.

Help with backstage and front of house will be announced later in the year so watch this space!

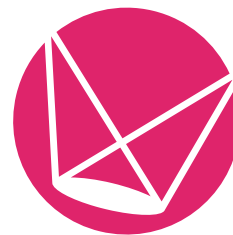

Well done to all who auditioned- it's going to be a fantastic show!

Mrs Mistry

DRAMA YEAR 8

Year 8 drama lessons have got off to a creative and fun start this year.

Students have begun working on their study of Physical Theatre, Body as Prop and Tension. I have been really impressed with their creativity, effort and confidence during our lessons so far.

In the coming weeks, they will work together to create a ghost story using their new performance skills, culminating in a whole class performance. Can't wait to see what they come up with!

Keep up the good work!

Mrs Mistry

MUSIC YEAR 11

Year 11 music students have made a fantastic start to their learning and preparation for both their Compositions and their Appraising Exam.

It has been fantastic to see students engaging in the learning. They are working hard every lesson to reflect on what they already know and to identify the gaps in their knowledge. Each lesson they are working with alongside their teacher to make excellent progress.

Keep up the focused and productive start Year 11.

What made you want to become a teacher? And of your subject?

Throughout my studies I have always had a love for Art and my art teachers inspired me to take creative risks and believe in my skills. So, inspiring students to develop their art skills and creativity is very rewarding to me.

Childhood hero?

My nan, she was a very special lady and always made me feel confident, whether that was with my fashion choices, or whenever I was unsure about something she made me believe in myself! She also made the best roast potatoes in the world.

What is your secret talent?

I make the best cups of tea, I think that's a talent... Or I can do a headstand for over a minute!

Best thing about working at WHS

Being part of a community that values building positive relationships with others and being able to share my passion for Art with everyone at WHS. I love working with the Art department and alongside students who inspire me every day.

What advice would you give to a young person?

Trust the journey, even if you don't know the path right now. Doing your best looks different everyday, so be kind to yourself and grasp all the opportunities that come your way.

In 10 years time I would like to be...

Living in New Zealand, running my own art studio and teaching classes!

The first five students to find their French teacher and correctly pronounce this word will get 5 House points each.

GCSE PHOTOGRAPHY

The current Year 11 students have started their GCSE Photography course with flying colours!

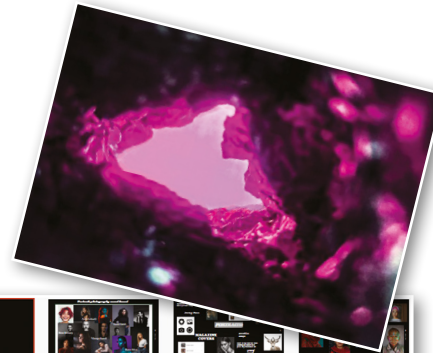

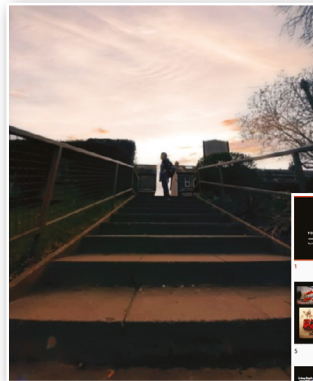

Before summer the Year 11s completed a project based on textures and they are now completing a project focusing on Portraiture. They have been experimenting with composition and artificial lighting which have been influenced by various contemporary photographers.

We have lots of really exciting photoshoots taking place and outstanding coursework showing already.

Well done on all of your hard work so far Year 11 photographers! Keep it up.

HOUSE CHALLENGE

An opportunity to be crowned Wetherby High School Landscape or Portrait Artist of the Year!

Submit a landscape and/or portrait painting with your name and House written on the back.

Who or what will make a great submission?

Will you paint a famous place or face? Somewhere local?

Or maybe a family member? Or even your coach!

Q: How do I submit my entry?

A: Hand in your painting to your Art teacher. On the back write your name and House.

Q: Can I submit more than one entry?

A: You can submit only one entry for each category. So you can enter one for Portrait and/or one for Landscape.

Q: Who will judge the entries to decide the winner?

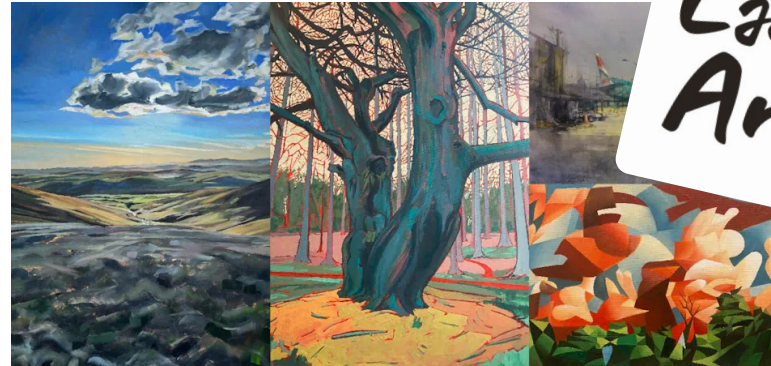

A: The ADT team and Ms Jefferson will judge the entries.

Q: How will the judging be fair?

A: Your name and House will not be revealed during the judging.

Q: Does my submission need to be a painting?

A: No. Any medium can be used - photograph, collage, drawing, print etc.

FRANCOPHONE RECIPES

BELGIAN WAFFLES

INGREDIENTS

- 240ml buttermilk
- 60g unsalted butter, melted
- ½ tsp vanilla extract
- 1 large egg
- 240g plain flour
- ½ tsp salt
- 1 tbsp caster sugar
- ½ tsp baking powder
- ¼ tsp bicarbonate of soda
- oil, for greasing

EQUIPMENT TIPS

If you don't have a waffle maker, try cooking the batter in an oiled griddle pan, flipping when the underside is golden and crisp.

SEND A PHOTO
OF YOUR
MASTERPIECE TO
YOUR FRENCH
TEACHER!

INSTRUCTIONS

STEP 1

Whisk the buttermilk, melted butter and vanilla together in a large bowl. Separate the egg and whisk the yolk into the buttermilk mixture. Whisk the egg white in a clean bowl until it forms stiff peaks - this will keep your waffles light and fluffy.

STEP 2

Sift all the dry ingredients into a bowl. Whisk in the wet ingredients to create a smooth batter then carefully but decisively fold through the egg white - don't worry if you are left with a few small lumps. Cover with cling film and leave the batter to sit for 30 mins, if you have time.

STEP 3

Lightly oil then heat your waffle maker (or see the tip below). Heat the oven to low, so you can keep each waffle warm while the next one cooks. Pour enough batter for one waffle (about a quarter) into the waffle maker, close the lid and cook until the waffle is golden brown on both sides and will come away from the maker easily, about 2- 2.5mins.

Repeat with the remaining batter, then top with whatever you fancy.
