SPORTS LEADERS MULTISPORTS

On Thursday 13th February, sports leaders welcomed over 100 Year 4 students from our local primary schools to a fun filled afternoon of multisports. Activities ranged from javelin, long jump to basketball free throws.

The first half of the session involved primary students moving around different stations and competing against their teammates. Later in the afternoon teams competed in different relay races including the very popular speed walk race.

The sports leaders organised their teams well and ran the stations faultlessly. All the primary students had a wonderful time and really enjoyed learning new skills.

A huge well done to the sports leaders for all their preparation and well done for being fantastic role models.

THE NOTICE BOARD

WHAT IS THE LAST THING YOU WOULD BE WILLING TO GIVE UP?

YEAR 11 UPDATES

YEAR 11 FEBRUARY HALF-TERM REVISION SESSIONS

Over half-term, students in Year 11 attended two days of revision sessions to support them with their work and preparations for the mock exams.

We were really pleased to see 87 students make the most of this opportunity and enjoyed working with them to help you revise.

Revision sessions will be offered once again during the Easter break so make sure you are there for those!

YEAR 11 MOCK EXAMS

Year 11 are now into their second week of their last ever mock exam series at Wetherby.

Students have applied themselves well so far and they should be proud of their efforts.

Students will receive their mock exam results during an assembly on **Tuesday 18th March.**

EXAM REMINDERS

With the real GCSE exams only two months away it is important that you are prepared to sit them.

Here are two things you can do over the next couple of weeks to be ready for them:

- **Have a CLEAR PENCIL CASE**
- **Have a CLEAR WATER BOTTLE**

The exam regulators, JCQ, are clear about what equipment you are allowed to take in to the exam and these two items are essential. Pencil cases can be purchased on ParentPay if you require one.

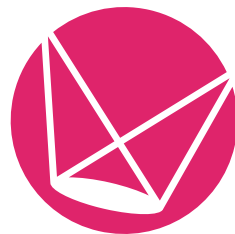

YEAR 11 SHOUT-OUTS

- **JN** and **LT** for how respectful, courteous and caring they are around school. Great character shown!
- **JW** for his progress in lessons and his attitude to wanting to be successful. Really well done, Jacob!
- **LW** and **LM** for their revision work at home and their attitude to wanting to be successful.
- **BH** for demonstrating great resilience so far this year - lots of progress made.
- **All of the Year 11 students involved in the 'Little Shop of Horrors' production** - it looks great so far and we can't wait to see it at the end of this half-term. A big shout out to **LM** and **RR** for their excellent puppetry skills.

DRAMA

YEAR 7

Students in Year 7 drama have worked really hard last half-term to complete performances using a *melodrama* style.

I was so impressed with the level of focus during rehearsals to make sure the work was the best it could be and then with the performances. Students showed clear character and controlled the use of space beautifully on stage.

After our performances, Year 7 evaluated their work using drama language. Some really great examples of learning and progress was shown in their written work on this unit.

I was so impressed. Keep it up Year 7!

DRAMA

YEAR 9

Students in Year 9 drama have worked really hard developing their knowledge of different styles of theatre which they have then applied to the performance of a script.

I have been really impressed with the confidence, commitment and resilience shown by the students.

They learned lines, blocked and planned their choice of space and movement and applied *naturalistic drama* techniques to bring their scenes to life.

Amazing progress from so many actors last half-term. So excited to see what you do this half-term as we work towards getting GCSE ready.

So proud of you all!

Mr Grinder

5 mins with...

Place of birth

Leeds.

Hobbies

Sports, music and gaming.

Favourite film of all time

City of God.

Favourite TV programme

The Walking Dead.

Favourite singer/band

Led Zeppelin or Fleetwood Mac.

What is your secret talent?

Master Chef.

Best thing about working at WHS

It's a great place to work with really nice staff and students.

What advice would you give to a young person?

Cherish the moment you have with the people around you.

In 10 years time I would like to be...

A fully trained network engineer or network manager.

YEAR 10 VISIT WETHERBY MANOR

Year 10 visited Wetherby Manor before half-term to teach the residents how to use their electronic devices.

With the likes of YouTube, Facebook and various other apps, the residents were taught how to connect with friends and families. It was a very informative afternoon and the residents and students were treated with a local singer as well as a variety of snacks.

Well done to all the students who took part in the afternoon. The residents were extremely grateful for all your help and the time and care you took with them.
