## Online Learning support for Parents/Carers

Online Learning is independent work that students are expected to complete at home. This work will support students in their studies as it consolidates knowledge in preparation for assessments, and develops the habit of students managing their time and work at home.

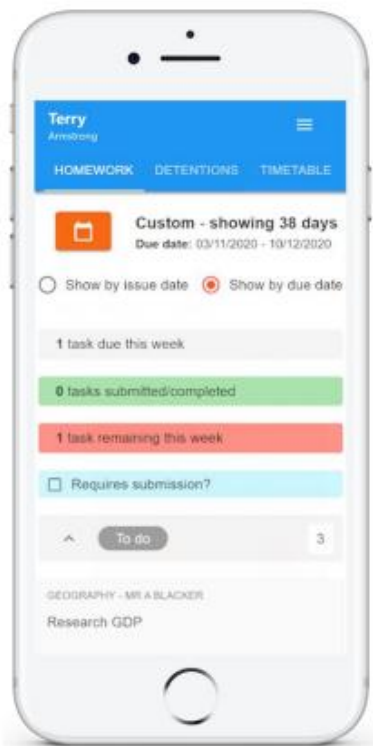

Online Learning will be set for students in Y7-Y10 each half-term. Work will be set by teaching staff through the Class Charts app. Students will be able to access the details of this work and any document to support them by logging into the app either on their mobile device or through a computer. If students are unable to complete this at home, they will be able to access computers in school to support them with this work.

The dates for the Online Learning being set and when it is due in are listed below:

Half-term	Set date	Due date
Autumn term 1	1 <sup>st</sup> Sept	6 <sup>th</sup> Oct
Autumn term 2	3 <sup>rd</sup> Nov	8 <sup>th</sup> Dec
Spring term 1	5 <sup>th</sup> Jan	2 <sup>nd</sup> Feb
Spring term 2	23 <sup>rd</sup> Feb	30 <sup>th</sup> Mar
Summer term 1	20 <sup>th</sup> Apr	18 <sup>th</sup> May
Summer term 2	22 <sup>nd</sup> June	17 <sup>th</sup> July

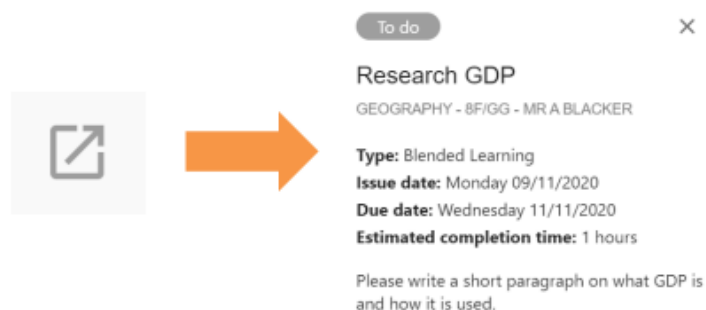

Year 11 can expect Online Learning to be set more frequently each half-term and forms part of their revision for exams. Work will still be set through Class Charts for you to monitor what work your child has to complete.

On the Parent app click on the 'Homework' tab at the top of the screen. This will show you how many pieces of Online Learning have been set, and whether or not your child has completed the work or if it is still to be completed.

To view a homework task in more detail, click on the **expand** icon in the bottom right hand corner of the homework tile.

A popup will appear that contains the **a description** of the homework task, the **estimated completion time** and any **links or attachments** that may have been included.

**Feedback on Online Learning:** most tasks set for Online Learning will be preparation work for assessments will students in their lessons. Students will receive feedback on their Online Learning direct from the teacher during their lessons, and their work be reported home to you as part of their 'Independence' score on the PRIME Progress Reports.
