

THE COACHING CHRONICLE

WETHERBY HIGH SCHOOL

28 SEPTEMBER 2026 ISSUE 247

OPEN EVENING 2026

CONTENTS

- 2-5 Noticeboard
- 6-12 Features
- 13 Sparx Maths Superstars
- 14 House Points
- 15-20 Subject Nominations

On Wednesday 23rd September Wetherby High held its annual Open Evening as we welcomed hundreds of Year 5 and Year 6 children and their families to come and see how we work here.

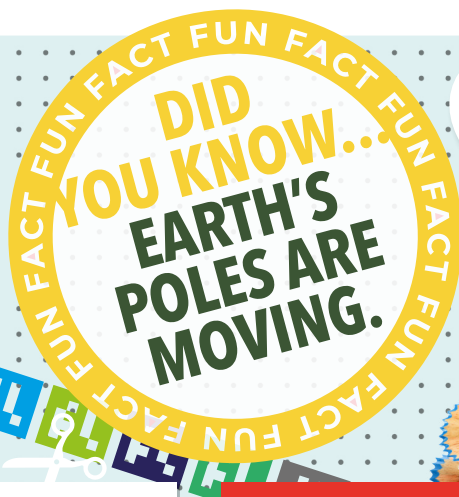

Visitors were treated to a costume mystery in History, live music and drama in C-block, and the acclaimed 'guess the tool' competition DT. There was horse racing in Maths, pizza making in Food Tech and bookmark making in English.

The highlight of the evening was seeing how many of our students volunteered to help support the evening as tour guides and working alongside staff in subject areas. Visitors to the school commented on how professional, kind, confident, caring and well-mannered you were as you became *Passengers into Crew* for the night.

A huge well done and thank you for your support.

THE NOTICE BOARD

YEAR 7

HOW THE TERM IS GOING...

The Year 7 students have made a fantastic start to their first two weeks at Wetherby High School. They have embraced the many changes and challenges that come with starting a new chapter, showing great resilience, maturity and enthusiasm along the way.

One of the most encouraging aspects has been seeing new friendships develop. Students have quickly begun getting to know one another, forming new friendships and making sure that others feel included and supported. It has been lovely to see students reaching out to classmates, helping one another settle in and building a strong sense of community.

Throughout these first two weeks, the Year 7s have also demonstrated what it means to be a team player. With new routines, classrooms, teachers and expectations to navigate, they have supported their peers and encouraged one another when things have felt unfamiliar or challenging. Their willingness to help each other has made a real difference.

There have inevitably been moments of uncertainty as everyone adjusts to secondary school life, but the resilience shown by the year group has been particularly impressive. They have continued to persevere, learn from new experiences and approach each day with a positive attitude.

Overall, our Year 7s should be incredibly proud of how they have started their secondary school journey. They have already shown that, by working together and supporting one another, they can overcome challenges and create a welcoming and positive year group community.

We are excited to see how they continue to grow, develop and flourish throughout the year.

MR WENBORN

Head of Year 7

STUDENTS - HOW THEY'VE FOUND IT

HD - really enjoyed making new friends and getting to know new people during their first few weeks at school. They have also loved trying the food in the canteen and are really enjoying the wide range of extra-curricular activities and opportunities available.

AC - really enjoyed settling into the new routine and structure at Wetherby High School. Has loved making new friends and has already made a fantastic impression, receiving the Year Manager Award for the first term!

PROBLEM SOLVING DAY

Our Year 7 students recently took part in an exciting Problem-Solving Day, where they worked collaboratively in groups throughout the entire day.

The activities challenged them to think creatively, communicate effectively and work together to overcome a range of problems and challenges.

Throughout the day, students demonstrated a wide range of important skills, including speaking, active listening, compromise, teamwork and resilience. They had to listen carefully to the ideas of others, share their own thoughts confidently and find solutions that everyone in their group could work towards.

There were certainly some challenges along the way, but the students showed great determination and resilience, learning that success often comes from working together and being willing to adapt. It was fantastic to see them

supporting one another, celebrating successes and developing their confidence as team players.

As their Year Manager, I am incredibly proud of how the students approached the day. They challenged themselves, supported their peers and demonstrated just how much they are already developing as individuals and as a year group. They should all be extremely proud of themselves and the way they worked together throughout the day.

STUDENT SHOUTOUTS!

**GREAT WORK
IN LESSONS!**

Zombie Escape Room

Students in year 7 and 8 took part in the House Competition 'Zombie Escape Room' in drama lessons during week 3.

YEAR 7 RESULTS	
1st	TRUEMAN
2nd	BREMNER
3rd	TOMLINSON
4th	ROBINSON

YEAR 8 RESULTS	
1st	TOMLINSON
2nd	BREMNER
3rd	ROBINSON
4th	TRUEMAN

The students worked in their Houses to try to solve 12 different puzzles to escape the zombie infested high school.

Students were allocated House points for their teamwork, leadership, resilience, survival spirit and problem-solving skills!

Miss Hammond and Mrs Mistry were so impressed with all of the students who worked so hard to pick up vital points for their House.

French Bushtucker Trial

A few weeks ago saw the return of our French Bushtucker Trial! Year 7 and 8 students came together at lunch time to compete and attempt the four cheeses in a row.

Students got one point for saying the name of one cheese, two points for tasting all four cheeses in a row and an extra two bonus points for not pulling a face in the process!

Mr Hobson was my fellow judge and we can reveal the results:

1st	ROBINSON	30 points
2nd	TOMLINSON	25 points
3rd	BREMNER	20 points
4th	TRUEMAN	8 points

Special mention for Mr Hobson (**Trueman**), Mr Grinder and Mr Wood (**Robinson**) for attempting the challenge as well.

Mr Hobson went the extra mile for eating the Époisse the northern French way: dipped in coffee.

A second special mention to **LP, LO** and **JO** for their support in recording the videos.

CALLING ALL YEAR 10 & YEAR 11 ENGLISH STUDENTS

With mocks fast approaching, you will be looking for the best revision resources for English Literature and Language.

The screenshot shows the 'English Revision' website. The header includes a logo, navigation links (Home, Documents, Pages, Site contents, Edit navigation), and user options (Added to favorites, Site access). Below the header is a toolbar with '+ New', 'Page details', 'Preview', and 'Analytics'. The main content area features a grid of revision resources:

- GCSE English Language**: Image of scattered letters. [LEARN MORE →](#)
- GCSE English Literature**: Image of an open book on a path. [LEARN MORE →](#)
- Paper 1 Revision - Macbeth**: Image of a crown. [LEARN MORE](#)
- Paper 2 Revision - An Inspector Calls**: Image of a woman in a dress. [LEARN MORE](#)
- Paper 1 Revision - A Christmas Carol**: Image of a red Christmas ornament. [LEARN MORE](#)
- Paper 2 Revision - Power & Conflict Poetry**: Image of green toy soldiers. [LEARN MORE](#)
- Paper 2 Revision - Unseen Poetry**: Image of a pink flower and a book page. [LEARN MORE](#)

Below the grid, a text box states: "You will have recently received an invitation to access the English Revision Site on Sharepoint via your school email account."

Press on this link on your phone, tablet or desktop to start feeling confident and prepared for your upcoming mocks.

Get ahead, start revising and be the best!

We Will Rock You Auditions

During the second week of this half-term over 40 students auditioned for the school production of 'We Will Rock You!'

The actors were sent their audition material over the summer and worked really hard to prepare themselves for the auditions. We were so impressed with how prepared and focused the group were!

The start of the audition was the whole group taking part in energiser games to get us focused and then coming together around the piano with Mr Vardy to sing the iconic number 'We Are the Champions'.

Next up was learning the chorus steps for the choreography of our opening number 'Radio Gag Ga' led by Miss Hammond.

The energy and talent in the room was fantastic and the whole company worked really hard to learn and memorise their steps,

Then we broke off into three groups acting, singing and dance to take it in turns to perform short scenes and sing the songs from the show.

Miss Hammond, Mr Vardy, Miss Parker and Mrs Mistry had a really difficult decision during call backs on Thursday of the same week as we heard the children sing again and try out some different roles.

Finally, after much deliberation within the PA department the cast list was shared, and the children were allocated their roles!

As ever, it was amazing to see the talent on show at Wetherby High School and so encouraging to see that the supportive, kind, team spirit is already there to make the show successful!

P E R F O R M I N G A R T S D E P A R T M E N T

Year 9 Drama Student Theatre Companies

Congratulations to Year 9 drama students who have made an outstanding start to their year learning all about the theatre industry and how theatre is made and performed.

This year, students have been put into theatre companies and will be completing performance commissions around a variety of different themes and for a range of different types of audiences.

Their first project is Children's Theatre which involves our theatre companies, which are named after famous UK actors and theatres, working together to learn how to make theatre for young audiences.

Each theatre company member has applied for the role of either Director, Stage Manager, Prop Master or Costume Designer and will be responsible for ensuring that these roles are carried out with professionalism. The goal is to tour the work we create to some of our local primary schools in October.

This week we began exploring our story and created the sea using the sensory theatre techniques the children have been studying in lessons. Well done to all Year 9 drama students who have really stepped up to the challenge and are demonstrating fantastic team work, communication, creativity and professionalism.

Keep it up!

Shakespeare Schools Festival

Students in year 8 are invited to join the Shakespeare Schools Festival Project which will take place this half term working towards a performance at the Leeds Playhouse in March.

As part of the festival the school is given an abridged version of a Shakespearean play. For our first year taking part in the festival, we will be performing 'Twelfth Night' a brilliant comedy about a shipwreck, disguises and falling in love.

The cast will work together to put on their performance of the script. The project includes a workshop with a theatre actor as well as a full day at Leeds Playhouse completing a professional technical rehearsal and performance at the venue.

This is a wonderful opportunity for our students to work with theatre actors and technicians and get a real go at performing in a professional theatre space.

Rehearsals will be every Thursday 3.30- 4.30pm in CG4.

Please see *Mrs Mistry* to get involved! Our first meeting will be Thursday 1st October.
